

Make a difference

As a Victim Support Volunteer you can help support victims affected by crime, through phone or face-to-face appointments, listening to their concerns and helping them to move on with their lives. You will get a rewarding sense of having made a positive difference to people's lives. No experience is necessary, just the willingness to help and a little time. We pay your expenses and provide you with nationally accredited training.

What will motivate you to volunteer?

- helping people
- being part of something
- for your community
- helping your career
- giving back
- working with people.
