

Dear Ms Duckworth,

Thank you for your emails.

While I appreciate the concerns that have been raised about the A134 speed limit, this request is currently following the correct procedure through the Local Highways Panel. I will look to update you once further information becomes available, however, at present there are a number of departments who need to consider signing off this scheme.

With regards to the water concerns under the A12, I have highlighted this to Essex Highways and have been assured that a drainage technician is to attend as soon as possible to investigate further.

Thank you once again for writing to me about these matters.

Regards,

**Cllr Tom Cunningham C.C**

Cabinet Member for Highways, Infrastructure and Sustainable Transport

Essex County Councillor for Braintree Town Division
