

# **Parish Clerk's Report**

## **Agenda Item 14**

### **Great Horkesley Parish Council Meeting**

**23 September 2020**

- I received a day of training on using the Rialtas Alpha Suite accounting system on the 21 September 2020.  
The ongoing work will now begin to transfer all the details over.
- The tree that was leaning, in the grounds of Geantrees has now been removed by ECC.
- I put a message out on the Great Horkesley and Boxted Facebook page to notify parents regarding the reduced numbers allowed on the buses from the village as we were notified there was a capacity of 17 people allowed on a bus, I therefore notified residents of the reduction as the children would be using the bus to travel to and from their respective schools. A double decker bus was promised to alleviate the reduced capacity.
