

Parish Clerk's Report

Agenda Item 13

Annual Parish Council Meeting

26 May 2021

- The CCTV camera has now been replaced at the village hall.
The invoice for £250 + VAT has been paid.
- The lightning conductor has been repaired on the village hall roof. The invoice for £275 +VAT has been paid.
- I have had a number of flooding issues reported to me in the Village over the last month. I report to Anglian Water in the first instance.
- Plus Net overcharged the parish council by £85.97 as they did not shut down the initial account, after I had advised them of the issue. A letter of complaint has been sent requesting a refund.
- A resident contacted me regarding a bomb that was found in a residents' garden, the police and bomb unit were in attendance. I organised contact for the landowner to give permission for the bomb to be detonated on their land.
- I was contacted by a resident regarding a vehicle that went into a hedge just past the Ivy Lodge Road roundabout heading south towards Colchester.
The information supplied will be kept for future reference.
